Facial care

To have your skin professionally cleansed and treated is not only a luxury, but a necessity to keep your skin looking, youthful, radiant, and healthy. The polluted environment we live in is one of the foremost causes of dry, dehydrated, congested and even premature aging of the skin. In order to combat varying skin complaints, it is necessary to seek consultation with and advice from a professional skin care specialists. After thorough examination, facial treatments are designed to meet your skins individual needs, resulting in purer, brighter and fresher looking skin.
